There was a call for new ideas for Field Contests.

A membership list will be published.

The September 10th Sequim Fly in was discussed. The Civil Air Patrol will handle parking, traffic control and other functions. Richard will get the sound system from the City of PA. Randy Hurlbutt from the Sequim Club will arrange flyers and food for the event. The CD will be Steve Lingle.

The membership flyers at the field seem to be working well and may produce some new members.

- New Business

Bob Williams will contact any members that have not paid 2011 dues.

The Indoor Flyins at Vern Burton were discussed. We need to be diligent and only show up at Vern Burton on scheduled nights and not before 6:00 p.m. Even though the events are not club events, if pilots are not flying in a safe and respectful fashion, we need to call timeout and have a pilots meeting.

- Meeting Adjourned at 8:13 pm.
