Before the crash!

You start with a bag of luck and an empty bag of experience. The trick is to fill the bag of experience before you empty the bag of luck.

The Meeting was called to order at 7:00 pm by vice President Greg Allen with 7 members present. The Treasurer report was made by Lyle and notes were taken by Bob Walter.

Treasurer's report:

Field report: The lawn rake needs maintenance. We should be able to leave this locked up outside now. Lawn table on the west side needs replacement. Extra mower still needs disposition.

Old Business:

The Sequim airport September event was discussed. Expect about half the expenses of last year. Attached are event notes from the Sequim Aeronauts.

New Business:

Member Randy Franks has passed away. Bob showed a working tube single channel transmitter. A 20' container would be a great storage for our club stuff.
