Bob Williams 457-0924, Park Flyer/Light Electric

Field Location:

1520 Critchfield Road
Southwest corner of Port Angeles
Airport, off Edgewood Drive

Next Meeting:

October 13th at the Library

If you want to know the weather conditions at Fairchild Airport, call 457-1070 for the current conditions (automated). Our runway is about 080 / 260 degrees (for wind directions).

September 24, Fly-In at the ORCM Field

An airplane may disappoint a good pilot, but it won't surprise him

October '11 Spinner

September 8, 2011 Minutes

Meeting was called to order at 7:04 9/8/2011 by Richard Hixson.

Treasurer's Report - Not Available

Minutes were read and approved.

Safety Issues – 2 members required medical attention recently for propeller cuts. Again, remember to do our part to keep all digits safe.

Newsletter – None

New Members - None

Field Report -

Mowers fixed. Switch on order for mower #3.
Mice remedies appear to be working

Old Business –

Our August Fly-in was well attended, no empty flight stands. Good food, good time.

The Float Fly at Lake Crocker was also a fun event. Even though 5

ORCM members came to fly, other clubs from Quilcene and Poulsbo were in attendance so it turned out there were plenty of planes to watch and food to eat.

New Business -

Richard will schedule to Library for next year, and Al will schedule the Vern Burton for next year.

The Tax Exempt Filing has been completed.

Discussed the September 24 Fly-in and the field is ready.

Roger Baller passed and his family will contact the club about selling any of his planes.

Discussed prorating dues to new members.

Meeting Adjourned at 8:20pm.
